

# PERSONAL MESSAGE TO ALL MEMBERS

Hi to all members of the Sherwood Park Golf Club.

It has been a difficult time for all and I am sure also frustrating for you all in terms of your desire to get back out there and chase that little white ball around our beautiful course.

However, due to Covid 19, we have a much bigger issue confronting us right now, and for the foreseeable future.

That is the survival of local businesses and ultimately Sherwood Park, as many of these businesses are currently our loyal and supporting Sponsors.

I ask you all to read this email right to the end because it concerns all of us.

We urge you all, as we progress from level 4 to Level 3 and ultimately Level 2 and Level 1, to help make a difference to our local economy. Yes I know it is easy and at times cheaper to shop online but this is crunch time. Without the Sponsorship from our local businesses, you will be looking at a big increase in your annual Subscriptions to cover the deficit.

Unless you are shopping locally on line, we urge you to put down your mobile, tablet or PC and, when we are allowed to, go shopping locally to help their businesses survive.

The following is a list of our Sponsors and the type of business they offer. Please keep this handy for reference.

Best regards

John Clark
